

**The High Sierras Family Resource Center  
is recruiting for a Prevention Program Specialist and a Child Care Council  
Coordinator**

The Family Resource Center puts children and families at the heart of our work. This involves supporting and engaging parents, children, and the communities across Sierra County in a variety of ways. In addition to helping with concrete support in times of need we also want to provide education and raise awareness about child development, parenting, and social emotional health for all.

We are a part of the Sierra County Children and Family Well-Being network and work closely with our partner organizations to share resources, programming, events, activities, and training.

We are looking for people who care about the community and might be interested in a career in the non-profit human services field. There is training and education available for the right person(s).

We promote work life balance in a flexible and caring work environment.

There are two positions being recruited for. They can be put together to make one full-time position or two part-time positions for two people.

**Prevention Program Specialist and  
Child Care Council Coordinator  
Hiring Pay Range \$18.00—\$20.25hr**

**APPLCATIONS ACCEPTED THROUGH
