

2025 “Be the One” Recognition Award Nomination Form

When you think back to the people outside of your family who profoundly impacted your life in positive ways, who comes to mind? A teacher, a neighbor, a friend, a social worker, a coach, or someone else? There is lots of evidence around how one supportive adult can make a profound difference in a child’s life and future. If you know someone who fits that bill by going above and beyond to support, motivate, challenge and care about our kids, take a moment to recognize that person by nominating them for this first annual award. **Nominations are due by close of business on Tuesday April 22, 2025. You can mail it to PO Box 1016 Loyaltan, or drop the form off at our office.**
